

SUKUK ISSUANCE PLATFORM

Democratising Sukuk Investing

Award-winning Sukuk issuance platform for a wide range of assets including green and renewable projects, real estate and liquidity management.

Al Waseelah is at the forefront of ESG and SDG integration to Sukuk through active global dialogue, being one of the only Islamic finance institutions to commit to Principles for Responsible Investment. Al Waseelah aims to assist investors and borrowers with market intelligence and best practices.

From demystifying ESG requirements, regulations and taxonomies, Al Waseelah is an active participant in understanding the rapidly changing landscape.

Al Waseelah PLC is a fully Shariah-compliant issuance and securitisation platform, providing a comprehensive and cost-effective solution for structuring, arranging and originating of Shariah-compliant listed securities.

Al Waseelah's award-winning platform is dedicated to the democratisation of Sukuk issuance and promoting the global growth of Islamic capital markets.

Innovation in Sukuk Issuance

Innovative, diversified and secured products issued for today's investor and landscape.

Reducing Barriers to Fundraising

Access to multiple markets and asset classes including real estate and trade finance.

Islamic Products in Conventional World
